The original long-haul icon

VOLVO FH

The Volvo FH is the original and iconic long-haul truck built to keep you comfortable and safe over the longest stretches. It's loaded with technology to boost your efficiency and turn driving into quality time.

Multiple powertrains

Volvo FH is available with electric, gas or diesel powertrains to match your requirements – no matter if you operate on long-haul routes, regional transport, or city assignments.

Loaded with smart features

The stylish interior and exterior puts Volvo FH a cut above the rest. Onboard you will find I-Park Cool, a microwave and a dual fridge solution for your comfort. Smart features that make Volvo FH the driver's choice.

Maximize your efficiency

Optimize your Volvo FH with smart features like I-See+ and I-Torque to make sure no energy is wasted – making a difference for your bottom line. I-Shift with or without Dual Clutch and crawler gears.

BENEFITS

- Improved energy efficiency
- Optimized vision with CMS
- Comfortable cabs
- Electric, gas or diesel powertrains available

Innovations for your safety

Let Volvo Dynamic Steering assist you in heavy sidewind or if a tire blows out. The Camera Monitor System brings increased direct vision and enhanced night vision in the rear view.

Tailor your experience

The Volvo FH comes in multiple configurations to be the ultimate tool for your business. It's also designed for your comfort, with different cab sizes, and let's not forget the redesigned sound system with six premium speakers plus optional subwoofer and personal infotainment at your fingertips. A great driving experience awaits.
