1. INTRODUCTION

- 1.1 Telematics is a system developed by Volvo Trucks Corporation (VTC) to support customers with information on their trucks, drivers, and fleet performance, positioning and tracking.
- 1.2 Telematics Services is part of the Telematics based services provided by Volvo Trucks Corporation (VTC) to support customers with performance follow-up on vehicle and drivers to optimize the fleet performance.
- 1.3 VGSA and the Customer hereby agree to the terms and conditions in relation to the Services provided by VTC.

2. TERMS AND CONDITIONS

The latest version of the terms and conditions of the Agreement can be obtained at <https://tsadp.volvotrucks.com/> . The Customer confirms that the Customer has read and

understood the Agreement and agrees to be bound by the terms and conditions including but not limited to:

1. the responsibility of VGSA
2. General responsibilities and obligations of the Customer
3. Limitations of liability
4. Data protection, processing, and consent

3. ACTIVATION

VGSA will activate truck(s) on the Telematics Services Website, & shall provide the Services to the duly registered truck(s), as per information set out in Annexure A.

4. PRICING

4.1 The monthly amount will be a total of R185 for Fuel and Environment and R185 for Positioning, per vehicle (excluding Vat), this amount comprises of:

1. The amount will be paid monthly by way of a debit order loaded against the nominated bank account of the Customer. The Customer shall ensure that there are sufficient funds available to cover the monthly amount. Should the amount not be paid, VGSA shall have the right to suspend the Service until the default had been rectified.
2. The amount is subject to an annual increase based on the prevailing CPIX rate as published by the Reserve Bank, and shall apply for the subsequent 12 month period. Either party shall be entitled to terminate the Agreement upon 30 (thirty) days prior written notice.
